

**COUNTY OF LOS ANGELES DEPARTMENT OF MENTAL HEALTH
SANTA CLARITA VALLEY MENTAL HEALTH CENTER**

TRANSFER OPPORTUNITY
MENTAL HEALTH PSYCHIATRIST

The Santa Clarita Valley Mental Health Center (SCVMHC) in Valencia is seeking a full time Mental Health Psychiatrist. A 4/40 work schedule is available.

EXAMPLES OF DUTIES:

- Completion of initial medication evaluations and follow-up psychiatric care for a caseload of consumers, and all related DMH documentation necessary for claiming of services.
- Participation with an interdisciplinary treatment team for the direction and monitoring of client care.
- To provide psychiatric consultation and collaboration with multi-disciplinary team members as needed.
- To develop and implement treatment plans to assist consumers with removing barriers to regaining hope, accomplishing recovery-based psychosocial goals, and living a meaningful life in the community free of hospitalization, incarceration, and institutionalization.

Interested individuals currently holding the payroll title of Mental Health Psychiatrist are encouraged to fax or email a CV by **Monday, January 12, 2015** to:
